--

TOTAL \$ _____

As we enter our tenth year of owning the Northfield Golf Club, we can proudly say that our rates have only increased by approximately \$200 depending on your type of membership. We can confidently tell you that our expenses continue to increase by much more than that each year. We will always continue to invest back into the property and provide you with the best conditions we possibly can at pricing that is affordable. We appreciate your understanding and support.

From all of us at Northfield Golf Club
